1 October, 2013

Nationality: German

Height: 0 Cm

Weight: 0 Cm

Age: 62

Hair Color: Black

Eye Color: Blue

Alois Kroft, a 62 year old, physics professor from Germany, became separated from a group of about 20 hikers on the Pinnacle Trail in North Lake Arrowhead on 1 October. Krost is described as an experienced hiker and hunter who was familiar with hiking in the area over the years. He was in the area attending a conference at the UCLA Conference Centre at the Lake Arrowhead Resort. He was last seen wearing a light-blue long sleeve shirt, dark blue jeans and lightweight hiking shoes. He had no other equipment. CALL TO ACTION - VOLUNTEERS NEEDED URGENTLY IN SEARCH FOR MR KROST Experienced backcountry hikers are required to help with a missing persons search for Mr Krost in the San Bernardino mountains. The search will cover a 10 square mile area facing the Mojave desert. If you have any information as to Mr Krost's whereabouts please contact the San Bernardino County Sheriffs Department's Twin Peaks station on ph (909) 336 0600.
